REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Claim 1 has been rewritten to incorporate claim 20 and all intervening claims, claim 20 having previously been objected to but indicated allowable if such incorporation was done. New claim 21 is identical to amended claim 1 except for the substitution of claim language "pneumatic actuator" for "piston", such claim language substitution considered by the Examiner to not adversely affect the allowability of the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Peter T deVore whose telephone number is (571) 272-4884. The examiner can normally be reached on Monday to Friday.
